- GP1809/04 Public Transport  
The Committee considered closing the meeting to receive a report from Martin Hollingsworth on public transport.  
The meeting was closed. The Committee discussed, along with Mr Hollingsworth, queries which have arisen related to the 94 service. A complaint was received from a resident of the York Road area raising concerns over the larger bus using the route of the Kirton Klipper. Further complaints were raised by a passenger about the alighting of passengers at the bus stop by the Green due to the wide area of road there. It was noted that the bus stop is placed there because the road is wider and so vehicles are not obstructed. Concerns have been passed to Cllr Cossey about access to services from the Richdale Avenue area up hill to the shops in Kirton, with some residents finding it easier to catch the 103 to Scunthorpe than get to the shops within Kirton.  
The Council discussed the addition of the Messingham-Scunthorpe link with the 103 service, as an hourly infil which has not been an option for Kirton in Lindsey.  
The Council further discussed the publicity of the 94 service and the problems encountered with getting the timetables displayed at bus stops.  
**RESOLUTION: That a response to the complaint is sent from the Clerk explaining that the Town Council sympathises with the entirety of his concerns but that the matter rests with NLC, the MOD and Hornsbys. That NLC and Ward Councillors are to be copied into the response.**  
**ACTION: Town Clerk**  
**RESOLUTION: That a letter is written to NLC acknowledging the challenges of the 94 service but requesting adequate and accurate advertising of the service, raising concerns over the winter service provision, and querying the Messingham infil service.**  
**ACTION: Town Clerk**
- GP1809/05 Regeneration Group  
The Committee was updated that no Regeneration Meetings had taken place since the last GP meeting. It was noted that the Gateway Signs, which were added to the Regeneration remit by NLC, are now in position. The additional Gateway Sign near to York Road will be installed once access routes are confirmed for the new residential development at the old RAF camp.
