- 2212/04 Report from Ward / North Lincolnshire Councillors
No Ward Councillor was present, however Ward Councillor Trevor Foster had submitted a written report which was read out by the Clerk. *“Carl Beacock and his team are clearing the land next to the Kirton recycling centre in January. This will allow Carl to evaluate options for the site. I have paved the way for a grant to be fast tracked to enable KLTC to obtain a grant to facilitate an outdoor gym. It is essential the gym equipment is costed and a grant application submitted asap. NLC Children’s Services has been rated by OFSTED as Outstanding in all categories with no areas for improvement, making North Lincolnshire’s offering the best in the country! The OFSTED inspectors described the children in care as being loved! An unprecedented statement from OFSTED..... It is the 10th anniversary of NLC’s Imagination Library project. Over 800,000 books have been given away to the children of North Lincolnshire at a cost to the Council of between £250,000 and £500,000 per annum. The Dolly Parton Foundation has recently declared the NLC Imagination Library offering as the best in the world. A presentation to commemorate this achievement will take place in January. Merry Christmas to you all and a Happy New Year”.*
The Clerk acknowledged Cllr Boyd’s request for an update on sign cleaning across the town, and noted that this was the one aspect of devolution services offered by North Lincolnshire Council (NLC) in September which the Town Council had expressed interest in and further information for but further communication was still awaited. It was noted that funding for gym equipment and signage cleaning should be chased up at Regeneration Meetings.
RESOLUTION: That Cllr Cooper chases up Julie Reed regarding funding applications and Holly Mumby-Croft MP regarding funding for replacement Supernova equipment.
ACTION: Cllr Cooper
- 2212/05 Councillor and Proper Officer Reports
The Council received reports from Councillors and Proper Officer attending meetings on behalf of the Council:
- Councillor and Proper Officer Reports
 - North Lincolnshire Community Champions Awards – 24th November (Cllr Cooper & Cllr Frankish)
Cllr Cooper reported that both Kirton in Lindsey nominees Wayne Eynon and Victoria Rumary were awarded Runner Up in their categories, were both thrilled and commented on the deserving overall winners.
 - Allotments Advisory Committee – 28th November (Cllrs Kofoed, Boyd & Frankish)
Cllr Kofoed reported a positive meeting with around 12 attendees which has improved communication flow. Agreement was reached on the repositioning of one shed on the plan due to the discovery of a concrete foundation which could be utilised. Cllr Boyd noted a query about the tap on site and whether it was drinking water. It was noted that the tap was not provided with that purpose in mind. A plumber is currently looking at changing the tap to a push-button function. The Assistant Clerk requested that it is communicated to tenants to contact her regarding the collection of their sheds and not for them to go via the Town Clerk which causes delay.
 - Site meetings – South Cliff Rd & Redbourne Mere – 6th Dec (Cllrs Kofoed, Fox, Cooper Frankish & Garritt)
Cllrs attending the meeting reported on the short notice arrangements and the objective of the meeting for the Leader and Ward Member to view both the sites in order to assist moving the projects forward. Information requested by the Leader following the site meeting was provided by the Town Clerk. The Leader has requested that a follow-up meeting is arranged by his office for mid-February to report back on progress.

ACTION: Town Clerk

Planning

- a. The Council received the following planning application from North Lincolnshire Council: PA/2022/1999
Planning permission to erect portal frame building for storage of agricultural equipment.
Location: Land off B1205, south of Kirton in Lindsey.
RESOLUTION: That the Clerk responds to this planning application with “Objection” noting concerns regarding the height of the proposed structure so close to the gliding club and its impact on the visual amenity; concern over the proximity to the gas & oil terminal just within the West Lindsey boundary; the impact on the adjacent dangerous road junction which would see increased HGV traffic, given the history of serious accidents and fatalities; agreement with the comment left by Andrew Taylor of NLC regarding conflict with the adopted landscape assessment and guidelines; noise impact of a grain store on the local residents; concern of the presence of remains of significant historic buildings on the site.
RESOLUTION: That Lincolnshire County Council and West Lindsey District Council are informed of the planning application.
ACTION: Town Clerk
- b. The Council received the ‘Land North of Ings Road’ public consultation information.
RESOLUTION: That a response is submitted noting concerns about drainage, flooding and dykes at the location and the design scheme not taking these matters into account, that the required full protection of the ancient hedgerows is not clear on the design scheme and that this protection needs to be adhered to; and that the design scheme represents over development of the site, particularly considering that the only access leading to and on which the development is proposed to be sited is via narrow roads.
